SREE BALAJI MEDICAL COLLEGE AND HOSPITAL, CHENNAI, TAMILNADU

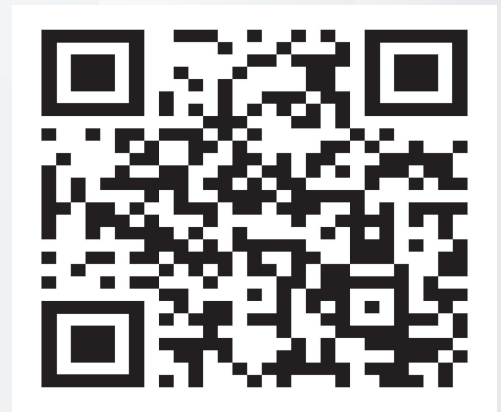

This one-day comprehensive event will be conducted and delivered by UK specialist radiology consultants with thorough knowledge of subspecialty imaging, covering the latest advances in radiology for radiology trainees. The event will include interactive case-based discussions and lectures followed by panel discussion and feedback. Cases from all systems will be discussed including paediatric imaging.

This programme is intended for all radiology trainees, particularly those who are aiming to obtain the FRCR accreditation and will showcase the latest hot topics that will influence practice over the coming years with live Q&A. There will also be time to network in-person and share your experiences and best practice with colleagues and the faculty.

Registration Details :
