- Established benchmark standards in professional practices in the innovative and emerging areas in health care sector and imbibed human dignity and values through community services.
- Providing free medical treatment to the poor and needy people of the society.
- Delivering high quality affordable health care services.
- Upholding the core values of the Hospital by our commitment to expertise, care and compassion to transform health care.
- Dedicated to provide the people a 'healthy life' through our world class treatment using state of the art medical facilities. We care your welfare.

SREE
**BALAJI MEDICAL
COLLEGE & HOSPITAL**

Given the right teacher, institute and tool most students reach their carrier goals and beyond that because “Sky is the limit” .One such right institute is Sree Balaji Medical College & Hospital.

We have all the qualities to say so. Apart from regular teaching programmes and perfectly designed curriculum offered by our institution, we have other highlights which are taking us many steps ahead year after year.

Sree Balaji Medical College and Hospital was started in 2003 under the leadership of our educationalist and visionary Dr. S. Jagathrakshakan, founder Chancellor, Bharath Institute of Higher Education and Research (BIHER). It is a constituent college of BIHER which is functioning under the able guidance of Dr. Gunasekaran Dean, Sree Balaji Medical College & Hospital.

Sree Balaji Medical College & Hospital started functioning in the year 2003 with the permission of Govt. of India, New Delhi and it is a constituent of Bharath University which has been accredited with NAAC 'A' Grade. It is also recognized by WHO (Ref. WHO web site). Sree Balaji Medical College and Hospital is a private, non-profit, self-financing Medical Institution, pledged to the service of the community, catering to the health care needs of the people in general, and especially to the needy, under-privileged, suffering section of humanity, in particular. The College and Hospital complex has been raised in an area of 60 acres, ideally located with salubrious surroundings. This college is situated in heart of the city close to the Airport and Railway Station. It is provided with state-of-the-art infrastructure in terms of its blocks of buildings, which include cosy, comfortable and well-furnished departments, laboratories, class rooms for students, separate quarters for staff and nurses, besides equipment of latest technological quality. The Hospital services are fully computerized as per the requirement of the Medical Council of India. At present, the hospital has 1190 in-patient beds with 13 state-of-the-art operation theaters. The Hospital services are fully computerized, NABL Accredited Central Laboratory, and ISO 9001 2008 Certified Blood Bank.

Apart from the other facilities, there are 60 intensive care beds with the twenty-four hour hi-tech trauma care facility, serving a wide cross-section of the community, belonging to every economic segment of society. Free food and medical services are given to the poor and needy patients. Three separate rural and urban health training centres have also been established so as to impart field-practice training to medical students and helping the needy people nearby and those in remote rural areas. The College started with an annual intake of 100 students for M.B.B.S. Course. Subsequently, during 2009 the Govt. Of India has granted permission to start Post Graduate courses in all discipline both Clinical and Non-Clinical subjects. During 2013-2014 the Govt. of India has permitted us to increase the intake from 100 to 150 seats. The MCI inspected our institute and verified clinical materials, faculty strength and granted permission to hike seat from 150 to 250 from the Academic year 2015-16. We are the 14th Medical College in the country having 250 intake of students.
