Welcome to

EPHCI-CON 2023 3rd International Conference on Public Health

It gives us immense pleasure in welcoming all to the 3RD International Conference on Public Health 2023, hosted by Department of Community Medicine, Sree Balaji Medical College and Hospital, Chromepet, Chennai on 22nd November 2023.

Conference Theme - Exploring Public Health Challenges

Public health faces a multitude of challenges, spanning infectious diseases, non-communicable diseases, mental health, environmental concerns, health disparities, maternal and child health, adolescent health aging populations, health system optimization, and the intricacies of global health. These issues demand a holistic approach, emphasizing prevention, health equity, and robust healthcare systems. As our world continually evolves, so do the public health challenges, necessitating adaptive strategies to safeguard the well-being of communities and populations at large.

The scientific sessions are anticipated to fill the air with knowledge, dwelling in groundbreaking research, and an opportunity to engage with experts in the field.
