

# JOURNAL CLUB

## “Ceftazidime – Avibactam Versus Colistin for the Treatment of Multidrug – Resistant *Pseudomonas aeruginosa* Infections: A Multicenter Cohort Study”

The Department of Microbiology and Medical Education of Unit Sree Balaji Medical College & Hospital Conducted Journal Club on 31.01.2025 in the Audio Visual room, II Floor College Block from 11-12 pm. The Journal Club topic was “Ceftazidime – Avibactam Versus Colistin for the Treatment of Multidrug – Resistant *Pseudomonas aeruginosa* Infections: A Multicenter Cohort Study”

The Speaker for the Journal Club was Dr. Ram Kumar, II Year Postgraduate of Department of Microbiology, SBMCH. He spoke on Fluroquinolone drug resistance among MDR-TB patients and its treatment outcome. It was moderated by Dr. Sharanya.K M.D, Professor, Department of Microbiology, SBMCH. It was followed by discussion on that topic. All the delegates were benefitted by this session.
