3	Dr.Amritha lekha	

Agenda:

Key issue of the meeting was to address the inconvenient dining place for undergraduate students.

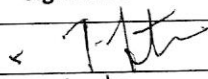

Minutes of the meeting:

The Chairperson welcomed the members and initiated the discussion on the letter sent by third year MBBS students. The dining hall is common for students and patients. The kitchen is close to dining hall and makes the environment very hot and humid. Committee members suggested that the canteen management to address this issue and make arrangements to have a separate section for mbbs students.
