We welcome abstracts from all fields of Medicine

DIGICOM- about the conference:

The International Conference on Digital Health, themed "Empowering Public Health with Technology" (DIGICOM 2025), is an impactful event organised by the Department of Community Medicine, Sree Balaji Medical College and Hospital (SBMCH). Scheduled on 10 October 2025, from 8:00 AM to 5:00 PM, the conference will be held at T.R. Raman Hall, 4th Floor, Hospital Block, SBMCH. In an era where technology drives transformative change, DIGICOM 2025 seeks to highlight the pivotal role of digital solutions in shaping the future of public health. The conference will be preceded by engaging preconference workshops on 09.10.2025 from 8:00am to 5:00pm. Sessions include Tech 2 Teach- Beyond the whiteboard and Systematic Review and Meta-analyses using AI, offering participants hands on learning in innovative teaching methods and research excellence.

The conference on 10.10.2025 will feature keynote addresses on artificial intelligence and machine learning in disease surveillance, outbreak detection and geographic information system. These discussions will provide participants with a comprehensive perspective on how emerging technologies can revolutionize disease monitoring, enhance preparedness, and optimize healthcare delivery. This will be followed by scientific sessions including oral and poster presentations from various fields of medicine. DIGICOM 2025 as a whole aspires to empower participants with actionable knowledge that advance public health in the digital age, serving as a catalyst for building resilient, technology-driven health systems of tomorrow.

DIGICOM 2025
