MESSAGE FROM THE EDITOR

Dear Readers,

It gives us immense pleasure to present the eighth edition of the SBMCH Herald, marking yet another significant chapter in the journey of our institution. This edition celebrates our continued pursuit of academic excellence, innovation, research, and professional growth, while reflecting the vibrant spirit of learning and collaboration that defines our institution.

We extend a warm and heartfelt welcome to our newly inducted residents, faculty members, and staff. Their knowledge, expertise, and enthusiasm add new dimensions to our academic community and strengthen our collective commitment to excellence.

SBMCH continues to evolve as a centre of excellence in medical education, research, and healthcare. In recent months, the institution has hosted and participated in numerous conferences, workshops, Continuing Medical Education (CME) programmes, and academic initiatives, providing valuable opportunities for knowledge exchange, interdisciplinary collaboration, and lifelong learning.

This edition also shines a spotlight on the noteworthy research achievements of our faculty members, including a growing number of publications in reputed national and international journals, as well as innovative patents. These accomplishments reflect our sustained commitment to advancing scientific knowledge, fostering innovation, and upholding the highest standards of academic and research excellence.

The SBMCH Herald is more than a record of events and achievements; it is a reflection of the passion, perseverance, teamwork, and collective spirit that shape our institution. Through these pages, we invite you to celebrate the accomplishments of our students, faculty, and staff and to appreciate the shared vision that continues to inspire us.
